# 240-10

## Healthweigh **handrail** scale

THE DIGITAL HANDRAIL SCALE by Rice Lake is designed for weighing individuals who need extra support. The non-skid platform and side rails give extra stability and safety.

Advanced movement compensation technology adjusts for involuntary movement occurring when weighing unsteady individuals. Two heavy-duty wheels located at the rear of the base make maneuvering the Handrail Scale easy in any clinic or office.

The Rice Lake Handrail scale is a high precision weighing solution.

<b>Capacity</b>	700lb (310kg)
